Microsoft 365 Services from CBAI

A wide range of Microsoft 365 plans to meet the needs of your bank.

Get Help Selecting the Right Microsoft 365 Plans and Options

We offer solutions that bring added functionality to Microsoft 365 to meet the unique needs of your bank, whether you're seeking to comply with privacy and security requirements or other regulations, or you're looking to boost employee productivity with better tools. Let Intermedia help you decide which plan and combination of options is right for your business, whether you need Online Exchange Email or Microsoft 365 with compliance and security enhancements. Choose the combination of add-on services that's right for your organization.

Business Plans

Microsoft 365 plans for small and medium businesses (up to 300 users) provide an integrated solution with Teams, OneDrive cloud storage, and Microsoft 365 apps with advanced security options—at a price that's right for your business.

Enterprise Plans

Transform your enterprise with an integrated cloud platform that delivers industry-leading productivity apps like Microsoft Teams^{**}, Word, Excel, and PowerPoint, along with intelligent cloud services and world-class security.

MICROSOFT 365 APPS AND CLOUD SERVICES

Powerful tools help you work, collaborate, organize, connect and create

Microsoft
Teams**

Word

Excel

PowerPoint

Outlook

OneDrive
for Business

+More

Chat and Meetings

Chat, share files, and collaborate in real time with Microsoft Teams.

Cloud Storage

Access and manage your files from any device, anywhere, at any time with OneDrive storage.

Email and Calendaring

Connect, stay organized, and manage your time with business-class email, calendaring, and contacts all in one place.

Microsoft 365 Apps

Unleash your best ideas, get things done, and stay connected on the go with Word, PowerPoint, and Excel.

Intranet and Content

Connect and engage across your organization with an intranet for sharing and managing content, knowledge and applications.

*Other options are also available including Frontline Worker, Public Sector (Government, Non-Profit and Academic), and Exchange Online Plans.

**Microsoft 365 Business plans are available with or without Teams. Microsoft 365 Enterprise subscriptions require the Microsoft Teams Enterprise add-on if Teams is needed.
